

plan 42952

A 3D architectural rendering of a single-story ranch-style house. The house features a gambrel roof with a dark shingle finish. The exterior walls are clad in white vertical siding. On the left side, there is a two-car garage with large, light-colored wooden doors featuring a diagonal brace pattern. To the right of the garage is a covered front porch supported by white columns. The porch has a dark roof and large glass windows and doors, offering a view into the interior where a living area with a fireplace and seating is visible. The house is set on a green lawn with a gravel driveway and is surrounded by mature trees and landscaping. The sky is blue with scattered white clouds. The text 'plan 42952' is overlaid in the top left corner in a large, white, sans-serif font.
