

plan 82967

A 3D architectural rendering of a modern, single-story house. The house features a light blue and white exterior with vertical siding. A prominent stone chimney is located on the left side. The front of the house has a covered porch with a wooden roof and yellow-painted support columns. Large windows and glass doors are visible on the porch. To the right, there are two large garage doors with a grid pattern. The house is set on a green lawn, surrounded by tall pine trees and a clear blue sky with scattered clouds.
